(NOTE: This will be used as the Documents Title in ADAMS)

I called Dr. Morgan to determine if he knew when they would fill the Radiation Safety Officer position. He said that he expected it would be in a couple of months. I told him that I would need to close this action by July 12. I would hold it open and check on the progress in a couple of months to determine if we could amend the license with the proposed Radiation Safety Officer.

Action Required: Check on progress in two months.
