Ron - Attached please find three documents.

- 1) A pdf of the table that documents the draft license changes, including Cameco's 4/19 responses.
- 2) A word version of the above table for your convenience.
- 3) A pdf with both redline strikeouts and clean pages of the language changes associated with LC 10.7. In addition changes to page 6-30 are included. The need for this change was not previously recognized, but since the "monthly for six months" phrase only applies to the NDEQ process, in this paragraph I have made the language more general. The specifics of the NRC requirement are detailed on page 6-29.

Thanks. .john
