Dear Mr. Coutermarsh

03036221

This letter is in reference to NRC license #28-07946-08, which you had discussed with Charles (Mike) Reynolds.

We are requesting NRC to amend our license to remove Pb210. We have never used Pb210 in our laboratory and we will not be using it in the future.

If you have any questions or concerns about this matters please contact Charles M. Reynolds @ 603-646-4394 or me @ 603-646-4597.

Sincerely,

Jay L. Clausen
Biogeochemical Sciences Acting Branch Chief

This is to acknowledge the receipt of your letter/application dated

4/24/12, and to inform you that the initial processing which includes an administrative review has been performed.

Ameudment (28-07946-08) There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.
