To Whom It May Concern:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, I am requesting copies of all documents that fall within the below listed document categories in the possession, custody or control of the Nuclear Regulatory Commission or its contractors pertaining to Nuclear Fuel Services, Inc. located in Erwin, Tennessee.

1. Test Results;
2. Final evaluations of Test Results;
3. Any/all Investigations;

5. Findings/Determinations regarding Enforcement actions; and
6. Any/all Correspondence.

To the extent that any relevant documents are classified, I request that they be declassified and/or sanitized for my review. We are aware that the NRC has already made many documents available on its website. Therefore, we agree that any documents that would fall into the above categories but are publicly available in the NRC ADAMS database should be excluded from this FOIA request.

McKenna Long & Aldridge LLP agrees to pay all reasonable and standard processing fees authorized by 5 U.S.C. § 552(a)(4)(A) and the applicable regulations up to \$250. Should the fees exceed this amount, please call or email me with an estimate of the total costs and the volume of responsive material in order that specific expenditures beyond \$250 can be authorized. If you have any questions, please do not hesitate to contact me at (404) 527-8499 or lneubauer@mckennalong.com.
