Hi Bob,

We spoke yesterday regarding the whether you will have information to present at either the April 17th teleconference and April 28th public meeting.

It is my understanding that you will would have something for the April 17th teleconference, but it would not be ready until sometime Thursday. Is that correct?

In addition, regarding anything that relates to resolving the Fukushima RAIs, I am now the point of contact.

Thank you.

Amy
