Thanks John.

From the workplan EPA has on that project, it looks like it is on the state wildlife lands adjacent to the Fermi site. We will make a note of this in our comment letter. Thanks for verifying!

Elizabeth,

Per John Hayse (ANL aquatic ecologist) it's the Pointe Aux Peaux Wetland Restoration per http://restore.glnpo.net/glas_pub/activitydetail.htm?fundingID=1341&fromview=glrihomepage (project-specific information). Also, f.y.i., here's the General Great Lakes Restoration Initiative web page: <http://greatlakesrestoration.us/?p=445>.

Regards,
John
