Mr.Fringer:

Thanks for the update.

Peace,

Kathryn Barnes

PS. I am hoping that Fermi 3 will not be built. I am hoping instead that DTE will continue to invest in wind energy, which is a better solution to energy needs than another nuclear reactor which produces the huge problem of nuclear waste.

Have a good Christmas.

Dear Sir or Madam,

Because you were on our mailing list to receive the Fermi 3 COL DEIS, please replace page "xxx" in the Table of Contents with the attached "Revised TOC p xxx.docx" and add the attached "Fermi 3 DEIS p 8-23a [Table 8-8].pdf" after p. 8-23 to account for the subject missing table. The attached "Fermi 3 DEIS Errata Sheet FRN 12-8-11 - ML113390192.pdf" should be accessible in the *Federal Register* on December 14, 2011.

We apologize for this inconvenience.

Sincerely,

John Fringer, P.E.
