**Subject:** RAI License Termination Request dtd 4/10/2012.

Mr. Killpack was contacted to discuss the termination of the license. He said the company wants to terminate their NRC license as they are licensed by the Commonwealth of Virginia for the materials and they do not store licensed materials in NRC jurisdiction. I informed him of the need to file for reciprocity or an NRC license prior to conducting licensed activities within NRC jurisdiction after the license is terminated. I informed Mr. Killpack that a Form 314 is required in order to terminate the license. Mr. Killpack agreed to forward additional information regarding the status of the licensed material on a Form 314. He agreed to fax the document to RI.
