Subject: RE: 2012-05-09 Woodlan, UHS Related RAIs

Don,

Granted. The delay to the Chapter 9 RAI will impact the date for the staff's SE, although chapter 9 will be far from critical path. But I understand your logic for requesting such an extension.

Thanks,
steve

Subject: 2012-05-09 Woodlan, UHS Related RAIs

Steve,

We have recently received a group of UHS RAIs for chapters 9 and 14 that are somewhat related and, to an extent, overlap. We feel the best option is to work these RAIs in parallel and provide the responses at approximately the same time. Two of the RAIs (6456, CP 256 and 6457, CP 257) have a due date of June 7, 2012. I request an extension on the related RAIs to the same date, June 7, 2012. The related RAIs are:

- RAI 6358 (252), questions 09.02.05-18 to 26
- RAI 6403 (254), question 14.03.07-38
- RAI 3790 (098) Supplement 01, question 14.02-16

I feel this is the best way to provide a quality, clear and comprehensive response to these question/issues.

Donald R. Woodlan

Manager, Nuclear Regulatory Affairs
