Subject: Draft RAI 340 Attendee list

The NRC staff attendees were:

Tom Scarbrough - Technical Reviewer
Mike Miernicki – Chapter 3 Project Manager
Surinder Arora – Lead COLA Project Manager

During this phone call, clarifications requested by UniStar were provided. These clarifications did not result in any technical changes to the draft RAI questions as written. However, an editorial comment to remove the word “design” from the first sentence of draft question 03.09.06-3 (which will now readstates that particular attention will be given) was agreed to. It was agreed that after making this editorial change, the RAI could be issued as “FINAL”.

Follow up Phone Call on April 24, 2012: Paul Infanger and I discussed and agreed to modify draft question 03.09.06-5 to include Revision 8 of the COL FSAR. Paul agreed with the suggested change.

The RAI can be issued with the minor editorial changes we discussed (delete “design” in Question 3 and add Revision 8 to Question 5).
