**Subject:** RE: Dominion Endorsement of Security Abstract RAIs

Dennis,

An R-COLA RAI endorsement letter was signed and submitted to NRC today (Reference Serial No. NA3-12-007). This letter addresses R-COLA RAI responses that were submitted between April 1, 2011 and December 31, 2011. R-COLA RAI 211-5494 is included in this letter.

Dominion reviewed the responses to RAI 211-5494, questions 14.03.12-1 through 14.03.12-5, and determined that the responses were site-specific and therefore, could not be endorsed.

Please let me know if you have any questions or need additional information.

Barry

**Subject:** Dominion Endorsement of Security Abstract RAIs

Barry,

The security reviewers have asked me if Dominion is planning on endorsing Comanche Peak RAI 211-5494 responses, submitted 4/19/2011. This RAI is associated with security ITAAC abstracts. Also, what are Dominion's plans for submitting the next RAI endorsement letter? Chandu indicated Dominion would be submitting the letter soon, but if you had more precise information, it would help us in planning our review.

Thanks,

Dennis Galvin
