Subject: FW: SUNSI Action: Calvert Cliffs, Unit 3, Response to Request for Additional Information, RAI 333, Other Seismic Category I Structures. 05/11/2012

UniStar's letter with Accession Number **ML12135A671**, dated May 11, 2012, provides a response to Question 03.08-04-31 of your RAI 333 (eRAI 6214). The response also includes a markup of the proposed changes to the applicable sections of the COL application based on the response to this RAI.

The UniStar's response letter states that response to Question 03.08-04-31 of your RAI 333 (eRAI 6214) also resulted in changes to Sections 3.8.4.7, 6.6.2, and 6.6.4 of the CCNPP3 FSAR. Please coordinate the changes to section 6.6 with CIB1 Branch. I am copying David Terao (CIB Branch Chief) for information on this email.

Please review the RAI response, including the FSAR mark up provided with the response and appropriately status the applicable question in the eRAI system.
