Subject: Re: Copies of the NRC's Draft EIS for Fermi 3

Dear Jessie Muir,

Please provide by mail the following members of the public hard copies of Fermi 3 DEIS and electronic copy sent to the addresses provided below.

The addresses of Intervenors (22), Scoping Phase Participants (56), and Monroe County Library System (12) are provided.

It is most likely that these were the parties that you had intended to send DEIS to in due process. These are the parties that I can identify that are in need of DEIS. The subtotal of these three critical lists is 90 copies. By and large these addresses do not include governmental bodies or participating agencies.

Thank you for your inquiry and providing these DEIS documents so essential to making meaningful comment.

Subject: Copies of the NRC's Draft EIS for Fermi 3

Mr. Keegan,

On the August teleconference for the Fermi 3 environmental review we discussed distribution of the draft Environmental Impact Statement (EIS). I wanted to check back in with you and see how many copies (paper and/or CD) that you would like to receive? Please note it will probably be at least 2 volumes. We've started sending out CDs of the EIS but if a public member would like a hard copy, we would send them one. In addition, the EIS will be available on our website as well.

Thanks,
Jessie
