Bureau of Topographic and Geologic Survey, 2005

Wetlands delineated by Normandeau Associates, Inc.  
and surveyed by Peters Consultants, Inc.

Beginning January 2010, all wetland coordinates were located  
by Normandeau Associates, Inc. with a sub-meter GPS unit.

This figure illustrates wetlands delineated within the wetlands  
survey area as shown in Figure 2. The survey captures  
potential areas of disturbance within the BBNPP Project  
Boundary displayed in Figure 1. Presence of wetlands  
outside of the survey area have not been determined.
