OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

I live near the Oyster Creek Nuclear Plant in Ocean County NJ. So does my daughter and her family. I know it is an old plant quite like Fukushima. I know that it is not very well protected from terrorist attacks. I know it is scheduled for closing within a decade or so.

With that said, I would also like to know there is a useful, up to date emergency evacuation plan in place for the safety of all of us who live here.

Let's behave like a first world, first class country and put our money to work to best manage our safety.

Thank you,

Yvonne T Huacuja
