Cara,

We dropped it off with Fed Ex this morning as a priority shipment. It is scheduled to arrive tomorrow. Please let us know if Dr. Bacchus receives it.

Thanks,

Jody

Jody, see below. It's VITAL Dr. Bacchus have a hard copy. Because of her documented reading difficulties, it's more time-consuming for her to read on a computer.

**Subject:** URGENT - No FEIS hard copy

Hi Cara/Mary,

I went to the PO yesterday to get my hard copy of the FEIS.

There was a large box there from "Gray Graphics Corporation, Capitol Heights, MD with "USNRC in Rockville, MD" and "FEIS" on the label but the box was COMPLETELY EMPTY.

All over the top of the box was stamped:

"Received without contents at Athens, GA 30601"

My PO people said the box arrived unsealed and empty and they taped it closed and put the yellow "package" card in my mail box.

Let me know if I need to scan the top of the box with all those stamps or whether NRC simply will believe that there was a screw up and try again.
