Subject: Ponds at Levy

Hi Jody, Doug

It appears that the exact same ponds are variously referred to as "retention and filtration ponds," "stormwater-retention ponds," "stormwater ponds," "stormwater-retention and infiltration ponds" and "wet detention ponds." The only size I can find refers to the latter. Would you please confirm that these are all the same ponds as in the site diagram? Also, I cannot find in the FEIS how deep these would be. Must I refer to the PEF motion for summary disposition affidavit to find the data or is it supplied somewhere in the FEIS?

Thanks.

Cara
