| 7. Are you satisfied overall with the NRC staff who participated in the meeting? | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

COMMENTS OR SUGGESTIONS:

Thank you for answering these questions.

The general public is poorly informed in regards to the waste disposal problem. The NRC needs to educate the public on this topic.

I feel this is the major problem with Nuclear power. It is the worse possible course of action. This plant should not be licensed. It is immoral to force generations to come to deal with the waste from the process.
