U.S. Nuclear Regulatory Commission
Agency-wide Rules of Behavior for Authorized Computer Use
Acknowledgement Statement

By my electronic acknowledgement, I understand and consent to the following when accessing the U.S. Nuclear Regulatory Commission (NRC) agency's information systems operated by or on behalf of NRC, which include: (1) NRC computers; (2) the NRC network; (3) all computers connected to the NRC network; and (4) all devices (e.g., BlackBerry, PDA, etc.) and storage media (e.g., thumb drive, flash drive, etc.) attached to the NRC network or to a computer on the NRC network or having access to NRC electronic information:

- I am accessing a U.S. Government information system that is provided for U.S. Government-authorized use only, except as allowed by MD 2.7, "Personal Use of Information Technology"; MD 2.3, "Telecommunications"; and MD 12.5, "NRC Automated Information Security Program"; No other unofficial use is authorized;
- The Government routinely monitors communications occurring on this information system. I have no reasonable expectation of privacy regarding any communications or data transiting or stored on this information system. At anytime, the government may for any lawful government purpose monitor, intercept, search or seize any communication or data transiting or stored on this information system;
- Any communications or data transiting or stored on this information system may be disclosed or used in accordance with federal law or regulation.

I acknowledge that I have read the NRC Rules of Behavior for Authorized Computer Use, October 2, 2012, and will comply with the terms and any applicable NRC policies, procedures, and rules governing the use and access to the NRC Information Technology resources. I understand that failure to comply with these rules may result in verbal or written warning, removal of system access and/or reassignment to other duties, criminal or civil prosecution, or disciplinary action, up to and including removal from Federal service.
