Corey and Peyton

Below is a follow up from last week's meeting with FWS.

Thanx

Alicia

Subject: FDEP siting office link to Turkey Point 6&7 T&E Species Management Plan

Hi Victoria – here is the link to the FPL Turkey Point Units 6&7 T&E Species Evaluation and Management Plan from July 2011, submitted as part of the SCA Completeness responses. The report discusses both state and federally-listed species. We will incorporate information from this report with other data to prepare the Biological Assessment.

Thanks,
Karl
