RE: *Hoskins v. Petrilli*, Case No. 11-3376, Delaware Co. (Pa.) Court of Common Pleas;  
NRC File No. TR-12-05.

Dear Ms. Moore:

Earlier this year you have caused a subpoena *duces tecum* to be served on the U.S. Nuclear Regulatory Commission (NRC). On May 7, 2012, this Office advised you that because the NRC was not a party to this litigation, you were required to submit additional information in order to comply with the requirements of NRC regulations found at 10 C.F.R. § 9.200, et seq. To date, we have not received any response from you. Accordingly we are denying your request and NRC File No. TR-12-05 is CLOSED. We will reconsider that decision if and when we receive the compliance indicated in our letter of May 7. Please get in touch with me if you seek additional information about this matter.

Sincerely,

/RA
