Re: Incorporation of License #24-32027-01 with License #24-00889-01 Control No. 576977

Saint Luke's Hospital of Kansas City (SLH) is requesting that your office amend its Type A License of Broad Scope to incorporate affiliated hospital within the Saint Luke's Health System (SLHS). Specifically, we would like to incorporate Saint Luke's Hospital of Chillicothe d/b/a Hedrick Medical Center, License # 24-32027-01. In an attempt to standardize and provide better radiation safety services across the Saint Luke's Health System, we intend to systemize policies, procedures and services under a System Radiation Safety Officer. Enclosed please find NRC Form 313, and supplemental attachments that will provide specific information regarding this program. Saint Luke's administration continues to provide its strongest backing to fulfill its materials license commitments. If you have any questions regarding this application, please contact Roy Sions at (816) 932-6262.

Thank you for your consideration.
