Dear Mr. Herr:

Subject: Materials License 24-20415-01 Amendment Request

In my letter dated March 12, 2012 I requested that our license be amended to name Dennis Bryant as Missouri Department of Transportation's (MoDOT) Radiation Safety Officer. Due to Mr. Bryant's forthcoming retirement, we wish to withdraw that request and instead name Paul Hilchen as MoDOT's Radiation Safety Officer.

Paul's qualifications are as follows:

BS Degree in Geology  
BS Degree in Geological Engineering  
Registered Professional Engineer – State of Missouri  
Completed Radiation Safety Officer Training conducted by Troxler Laboratories  
Completed Radiation Safety Training conducted by MO State Emergency Management Agency

Paul is currently assisting with MoDOT's annual gauge audit.

If you have any questions please Contact Paul Hilchen at 573-526-4628.

Sincerely,

David D. Ahlvers, P.E.  
State Construction & Materials Engineer
