Electronic Submittal

Dear Mr. Nguyen:

On February 1, 2012, on behalf of Cameco Resources, Lidstone and Associates, Inc. submitted two paper copies and one electronic copy of the referenced License Renewal Application. Following that submission, we received notice that the electronic submittal had been rejected. A second electronic copy (DVD) was submitted and again rejected.

After communicating with you via email and telephone, we were able to determine why the electronic submittal was rejected. I appreciate your efforts on our behalf and the enclosed reflects our efforts at resolving the "searchable PDF issue." Please let me know if there are any further problems with this submittal.

Finally and as discussed, I have noted certain error readings where they have occurred on the notes accompanying the DVD for the Technical Report.

Again, thank you and your staff for your help. Please contact me directly at (970) 223-4705 if you have any questions.

Sincerely,
LIDSTONE AND ASSOCIATES, INC.
