Subject: Courtesy copy of Exelon letter NP-12-0021 - Response to ER RAI Letter No.5

Tomeka,

Please find attached a courtesy copy of Exelon letter NP-12-0021. The letter provides the remaining response to ER RAI letter No.5, RAI ESP 9.3.1-1 (6394). The response to RAI 6396 was previously provided via Exelon letter NP-12-0020, dated May 17, 2012.

The original copy of NP-12-0021 was submitted to the NRC Document Control Desk this afternoon via US Mail. Hard carbon copies were sent to you and ANL, along with the enclosed CD containing .jpeg files associated with the response to RAI 6394. Please note that we intend to use the NRC EIE system to submit letters when it is feasible; however, for letters such as NP-12-0020 and NP-12-0021, the inclusion of certain content (e.g., color figures) and the resulting file sizes and attributes are better suited to hard copy submittals.

Please let me know if you have questions regarding the submittal.

Thank you and have a good afternoon,
JT

610-765-5345
