6/4/2012 (11:25) The receptionist informed me that Matthew LaChance had transferred to the Florida office. She did not know when the event occurred but Jose Otero took over the job as Safety Officer and she transferred my call to his phone. I left a message on Mr. Otero's voice-mail for him to get back in touch with me. (12:00) Mr. Otero returned my call. I informed Mr. Otero that this was a courtesy call and inquired when Mr. LaChance had been transferred and if a renewal application had been sent in. Mr. Otero stated that the transfer had been fairly recent and a request to change the RSO had been sent in as part of the renewal application. The application had been sent in two weeks ago via FedEx to 475 Allendale Road in King of Prussia, PA. I requested that the licensee check with FedEx to ensure that the application had been delivered to the NRC and I would continue to check at the NRC's end. I thanked Mr. Otero for the information and stated that I would keep in touch.
