Subject: Delinquent Licensee Fees

(NOTE: This will be used as the Documents Title in ADAMS)

Mr. Jenkins requested that Region I follow up with three licensees that were delinquent with their fees, one of which was Las Piedras Construction Company (now, L. P. C. & D., Inc.). Mr. Reichard contacted L. P. C. & D., Inc. and was asked to coordinate with Mr. Enrique Blanco by email to better bridge the language barrier.

Please work with your management to have this resolved as soon as possible. Please contact Clarence Jenkins at 301-415-6059 if you need assistance.

Mr. Blanco/Mr. Morales,

I am very sorry for any inconvenience. You are correct. I can corroborate that the name on NRC License No. 52-25125-01 was changed from Las Piedras Construction Corporation to L. P. C. & D., Inc. on February 2, 2011 with Amendment 03. I will work with our fees department to ensure that our records are updated appropriately. We have received documentation from Ineabelle Roman that may resolve this issue. I am very appreciative of how promptly L. P. C. & D., Inc. has worked to help us resolve this issue.
