One other item.

We are hosting the License Renewal Electrical Working group meeting here at Kennett on September 28<sup>th</sup> or 29<sup>th</sup>. So, although not a massive conflict we would prefer to stay away from that week if possible

Hi Rob

We have a slight issue with our Environmental lead at Limerick. She is unavailable October 20<sup>th</sup> through November 4<sup>th</sup>. In our minds it is very important that she be available for the audit as she has all of the station history.

So my suggestion if you can accommodate is as follows

September 19<sup>th</sup> (environmental or S&S Methodology)

October 3rd October 10th (AMP)

October 24 (S&S Methodology) (if not done in September)

November 7<sup>th</sup> (environmental audit) if not done in September
