Lisa/Rob

As we discussed prior, we will be bring down the LRA in 3 binders (hardcopy) along with the submittal letter.

As soon as we have submitted, my plans were to call back to the office to release the reviewer aids (drawings, CDs, additional hardcopies) to FEDEX and overnight them to you.

Looking at past submittals, it appears that it takes a few weeks before the LRA is posted on your website and a press release is made.

I just wanted to ask the question if there is anything I could do differently on my end to expedite the process?

For example if it takes longer for you to process the support material through your mail system then we could bring it down with us. However if it makes no difference either way then I would keep to the plan and mail it to you.

If I was holding you up on getting a review going right away, perhaps I could deliver some of the CDs (including the WEB CD) and mail the rest of the material as planned.

Anyway just a final check to see if there is anything else I can do

Appreciate feedback...thanks Chris
