Thanks Chris

Thanks, Chris.

We'll do our best to avoid the dates of your outage and assessment. I have a meeting with Brian Holian tentatively set up for you at 1 PM on June 22. When the time approaches, we'll need a list of the Limerick staff attending with titles, and a informal list of discussion topics.

I recommend sending your reviewer aids to both the DCC and PMs. Please make sure they are clearly marked if the reviewer aids are not intended to be public. We need to provide several copies to consulting agencies and to interested tribal organizations, and we don't want to provide unnecessary and/or non-public information to them.

Also, we'll need a copy of your Table 2 database (preferably in Excel). This is the nine column listing of all Limerick's GALL line items (material, environment, AERM, AMP, further eval required, etc.). I do not believe this needs to be submitted formally, but we'll check with Rob.

I look forward to working on the Limerick license renewal review.

Here is the guidance I had for TMI-1 so please let me know if anything has changed.

**Submittal copy of the LRA under oath and affirmation cover letter addressed to DCC**

**Reviewer aids submitted under cover letter (no oath and affirmation) addressed to (DCC or directly to PM?)**

- 1. 80 Cds for reviewers

**1 set of scoping drawings sent to Region 1**

Thanks Chris
