AFFIDAVIT

I, Scott Head, being duly sworn, hereby depose and say that I am Manager, Regulatory Affairs, of the South Texas Project Units 3 & 4 (STP 3&4); that I am duly authorized to sign and file with the Nuclear Regulatory Commission (NRC) this affidavit on behalf of Nuclear Innovation North America LLC (NINA); and state:

1. I am authorized to execute this affidavit on behalf of NINA, Nuclear Innovation North America Investments Holdings LLC (“NINA Holdings”), Nuclear Innovation North America Investments LLC (“NINA Investments”), NINA Texas 3 LLC (“NINA 3”) and NINA Texas 4 LLC (“NINA 4”).
2. NINA 3 & NINA 4 are providing the accompanying information in response to a Request for Additional Information (RAI) related to and in support of Part 1 General and Financial Information of the Combined License (COL) Application for STP 3 & 4. Specifically, the information being submitted in the accompanying Attachment 2 contains proprietary financial information related to STP 3 & 4 that should be held in confidence by the NRC pursuant to the policy reflected in 10 CFR2.390(a)(4), because:
 - i. This information is and has been withheld in confidence by NINA 3, NINA 4 and their affiliates.
 - ii. This information is of a type that is customarily held in confidence by NINA 3, NINA 4 and their affiliates, and there is a rational basis for doing so because it contains sensitive financial information related to NINA 3 and NINA 4.
 - iii. This information is being transmitted to the NRC voluntarily, in confidence and under the provisions of 10 CFR 2.390(a)(4) and it is to be received in confidence by the NRC.
 - iv. This information is not available in public sources and could not be gathered readily from other publicly available information.
 - v. Public disclosure of this information would create substantial harm to the competitive position of NINA 3, NINA 4, and their affiliates by disclosing internal business and financial information.

3. The information provided in Attachment 2 and requested to be withheld has substantial commercial value and provides sensitive information related to financial statements. Public disclosure of this proprietary information is likely to cause substantial harm to the competitive position of NINA 3 and NINA 4, NINA Investments, NINA Holdings and NINA itself because it would enhance the ability of competitors to gain knowledge of our costs and our commercial strategies.
4. Information proprietary to NINA 3, NINA 4, and their affiliates included in Attachment 2 to this letter is appropriately marked at the top of the page with "Proprietary Information – Withhold from public disclosure under 10 CFR 2.390(a)(4)" in accordance with the NRC's guidance on categories of proprietary information defined in 10 CFR 2.390 and clarified by Regulatory Issue Summary 2004-11.
5. The RAI questions provided in the enclosure to the RAI letter dated April 11, 2012, as submitted to NINA by the NRC, were identified as containing proprietary information with the marking "Official Use Only – Proprietary Information." As such, the information in Attachment 2 is proprietary in its entirety and has been appropriately marked as proprietary.
6. Accordingly, NINA requests that Attachment 2 accompanied by this affidavit be withheld from public disclosure pursuant to 10 CFR 2.390(a)(4).
