3) GNF-A Extension Request, S.P. Murray to T. Hiltz, 4/27/12
4) NRC Approval of Request for Extension, T. Hiltz to S.P. Murray, 5/31/12
5) Discussion between S.P. Murray and T. Hiltz, 6/12/12

Dear Mr. Hiltz:

As you are aware, GNF-A was required to submit a written response to NRC Notice of Violation 2012-201-01 by May 5, 2012. On May 31, 2012 NRC granted an extension to file a response by June 15, 2012.

Subsequently, on June 12, 2012, GNF-A discussed the Notice of Violation with NRC. Based on clarification provided by the NRC during that discussion, GNF-A requests an additional extension of the response deadline to June 29, 2012 in order to provide a comprehensive response.

Please contact me at (910) 819-5950 if you have any questions or would like to discuss this matter further.

Sincerely,

Scott Manager, Manager
Licensing & Liabilities

Commitment: Provide GNF-A NOV response by 6/29/12
