RE: License # 52-19064-01, purchase of C-300 nuclear gauges.  
 03018917

Gentlemen,

We are interested in purchasing five (5) nuclear gauges. The gauges are manufactured by Seaman Nuclear; the model number is C-300; and its source is Radium 226. Our current license number with the NRC is 52-19064-01. We would like to add the aforementioned source to our license. Please let us know the procedure that is required to do so.

If any doubt arises please contact us, thank you.

Respectfully submitted,  
**JACA & SIERRA TESTING LABORATORIES**

Carlos Sierra Del Llano. MSCE, PE  
 President, Radiation Safety Officer

This is to acknowledge the receipt of your letter application dated

5/2/12, and to inform you that the initial processing which includes an administrative review has been performed.

Amendment (52-19064-01) There were no administrative omissions. Your application was assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

Please provide to this office within 30 days of your receipt of this card
