December 6, 2011

To whom it may concern,

Attached is our check for a total of \$20,700.00.

This is for our application and annual fees for our new license application #03038547.

We were having trouble ascertaining the exact fees for our application, and stated that we would follow up with a check once they were determined.

If you have any questions, please don't hesitate to contact me.

Very respectfully,

Peter Wallace  
Radiation Safety and Compliance Officer
