Mr. Hankins,

In your submission to us, please ensure that you account for all sources and cameras that were/are in your possession. As I mentioned to you earlier, this will terminate your NRC license only and does not dissolve the company. Please get this form to us ASAP. Thanks for your attention to this matter. The form is attached for your convenience. Shawn

Mr. Hankins, we need the certificate of disposition of materials form and supporting documentation, i.e. leak test records or storage area survey records, to show that you have no contamination present at your Puerto Rico storage location. Please fax the info to me at 610-337-5269. Thanks. Shawn Seeley
