Additional Instructions:

When conditions warrant evacuation of the Region III office because of a tornado warning or other severe weather, employees and visitors will be notified to move quickly to the underground parking garage. Do not use the elevators, use the stairways. The assembly area for Region III employees and visitors is located at the southeast corner of the garage by parking spaces 22-28 and, additionally, parking spaces 1-4 (to your right when exiting the stairways). Wait for additional instructions from emergency personnel.

When conditions warrant evacuation of the Region III office because of a fire drill or other building evacuation, employees and visitors will be notified to move quickly outside to the southwest parking lot. Do not use the elevators, use the stairways. The assembly area for Region III employees and visitors is located at the southwest corner of the parking lot by the tollway (I-88). Wait for additional instructions from emergency personnel.
