

Shieldalloy expressed its consent to Intervenor's request prior to the filing of the Motion at issue (see attached email "DC Circuit Case No. 11-1449 (Shieldalloy v. NRC) – Appendices (Joint and Supplemental)"). Apparently, Intervenor was unaware of Shieldalloy's consent when it filed its Motion.

Respectfully submitted,

/s/ Alison M. Crane\_\_\_\_\_

Hi Grace and Andrew,

Attached please find the list of record items that Shieldalloy plans to include in the deferred Joint Appendix for DC Circuit Case No. 11-1449. Please send me a list of any additional record items (including relevant section or page numbers, if applicable) that you would like included in the Joint Appendix. I will be sure to inform you if we designate any additional record items for inclusion at the time that Shieldalloy's reply brief is filed.

Andrew, Shieldalloy consents to New Jersey's request to include your identified non-record documents in a supplemental appendix. Shieldalloy would also like to include some non-record documents, which we will specifically identify closer in time to the filing of our reply brief, in the supplemental appendix. Shieldalloy will accept responsibility for filing the relevant consent motion and the complete supplemental appendix including all parties' documents with the Court, if amendable to you. If that is acceptable to you, please send me PDFs of any documents or page numbers that you would like included in the supplemental appendix, which were not already included in the supplemental appendix for the the 09-1268 case.

Thank you, in advance, for your time and attention.

Sincerely,

Alison Crane
