NRC STAFF RESUBMITTAL OF PREFILED TESTIMONY
ON TOPIC 1A AND EXHIBIT NRC008

On June 19, 2012, the NRC submitted prefiled testimony on Topics 1A, 2, 4, 5 and 6. Among the documents filed in non-public submissions were the NRC Staff's Prefiled Testimony on Topic 1A and Exhibit NRC008, the NRC Staff's Non-Public Responses to the Board's Initial Questions.

As originally submitted, the two documents identified above were not marked in accordance with the NRC Sensitive Unclassified Non-Safeguards Information (SUNSI) policy, which requires that all pages of the document be marked. In both cases, all pages containing sensitive information were marked appropriately, but the pages containing affidavits and statements of qualifications were not marked. Although the unmarked pages do not contain any sensitive information, they should have been marked pursuant to the SUNSI policy.

Accordingly, the NRC Staff is resubmitting these two documents with all pages marked. Because both documents are non-public, they will be filed separately in a non-public submission. The Staff requests that the Board and parties delete any electronic versions of the originally submitted documents and dispose appropriately of any printed copies. The Office of the Secretary (SECY) has arranged for the originally submitted documents to be deleted from

the Agencywide Document Access and Management System (ADAMS) and the Electronic Information Exchange (EIE).

Respectfully submitted,
