RE: Amendment to Confluence Life Sciences, Inc. License No: 24-32829-01,

Greetings,

We would like to add Carbon-14 (^{14}C) to our license with a possession limit of 20 millicuries. The chemical and/or physical form will be bound/non-volatile.

The material will be used for as a tracer in laboratory experiments.

If you have any questions, or if we can provide you with any additional information that would expedite your review, please contact Mr. Jeff Hirsch, RSO at (314) 932-4032 or jeffhirsch@confluencelifesciences.com. Thank you very much, and we look forward to timely review of our license amendment.

Sincerely,

Joseph Monahan, President
