I can open those files. I didn't see the one referenced as: "Cover letter with 401 Cert.pdf."

Is that an additional file?

I am comparing what you are sending me to the Attachments 1 and 2 that were filed with the NRC as part of DTE's legal motion regarding the contentions. They have been assigned ADAMS ML file numbers.

Cover letter material doesn't seem to have been included in that but will probably need to be put into the file system too.

I am not familiar with all the specific elements of the permits.

I can probably clear it up with Westmoreland on Monday.

Thanks.....
