Dear NRC FOIA Officer,

**This is a request under the Freedom of Information Act (FOIA; 5 U.S.C., Section 552).**

Under the Freedom of Information Act (FOIA), Distributed Solutions, Inc., (DSI) is hereby and respectfully requesting copies of any and all documents related to the above referenced Contract. This request should contain ALL Government and Commercial documents which supported the Award of the referenced contract to Centeva, LLC. Examples of – but not limited to – the documents requested shall be:

- SF/Order (or official Award documents).**
- Request for Information/Proposals/Quotes (as issued by the Government).**
- Proposals submitted by Industry in response to the above.**
- Modifications and/or documents memorializing changes in the Contract.**
- Declarations, Non-Disclosure Agreements, or other documents related to the Contract.**

In support of determining status for applicability of any reasonable fees, DSI (and I) affirm that we are a GSA designated Small Business, operating in the Federal Marketplace and headquartered in the Commonwealth of Virginia (USA).

Time shall be of the essence in this FOIA request; there is a great and immediate need for the requested information in protecting the business interests of DSI as well as the Government. Therefore, it is my assumption that the requested materials will be made within the statutorily designated period, and that ALL reasonable fees will be waived (as this request is "clearly within public interests and benefits the general public.")

Best regards,
