Subject: Inspection Exit Meeting

(NOTE: This will be used as the Documents Title in ADAMS)

I called Mr. Perez to conduct the final exit meeting for the on-site inspection conducted May 22, 2012.

I asked Mr. Perez if he had submitted or was intending to submit the information we discussed during the inspection, to which he replied, "No, I have not had a chance".

I mentioned to him that we were going to issue a letter with three minor violations. The violations were: 1) the failure to conduct a semi-annual inventory; 2) the failure to conduct leak testing at 6 month intervals; & 3) the failure to provide required HAZMAT refresher training. He replied that the inventory had been started and the leak testing would be done. He further stated that they were in the process of securing a vendor to provide the HAZMAT training.

I reminded him that he needed to respond in writing to the NOV.

He stated that he wanted to be in compliance.

I thanked him for his time and ended the call.
