US Nuclear Regulatory Commission Region 1

Director, Division of Materials and Safety Nuclear Regulatory Commission Region 1

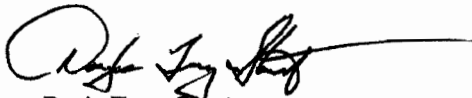

Subject: Request for License amendment

Attn: Kathy Modes, Mark Ferdas

Dear Sir or Madam

In regards to the apparent violation in inspection report # 03036438/2011-001 dated 4/26/2012 a new GIS procedure has been developed GIS-AP-004 see attached. Gamma Irradiator Service will commit to upgrade its program for the safest possible standards with training and discussions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Doyle Terry Stout', with a long horizontal flourish extending to the right.

Doyle Terry Stout  
Owner Radiation Safety Officer  
Gamma Irradiator Service
