Mr. Miller,
Yes, the NRC would like the NJ NHP to run a species search for the Bell Bend Nuclear Power Plant – Alternate Site: Martins Creek, NJ. Also, who should replace Mr. Lord, so we have the correct POC for future correspondence?
Thanks

Dear Ms. Quinn-Willingham:

Please confirm whether or not you would like us to run a species search based on the Natural Heritage Data Request form for Bell Bend Nuclear Power Plant – Alternate Site: Martins Creek, NJ as part of a letter and package dated June 12, 2012 and addressed to Herb Lord (he no longer works in our office).

Thank you.
