Dear Mr. Millar:

This is to document the conference call conducted on June 22, 2012, between you, the following members of my staff, Messrs. Michael Vasquez and Jason Razo, and myself. The purpose of the call was to discuss the status of your compliance with the CONFIRMATORY ORDER MODIFYING LICENSE (EFFECTIVE IMMEDIATELY) issued on June 7, 2011.

The topics that were discussed included the independent audit conducted from January 27 to February 4, 2012, your response to the audit, internal quarterly audits, the effectiveness of the training on willfulness, and the upcoming inspection schedule. You stated that you conducted audits of radiography crews in the field, and you attempted to perform these audits without being detected by the crews. You stated that you assisted the independent auditor with his audit and implemented his recommendations for enhancement of your radiation safety program.
