RE: Amendment RAM license #09-32781-03MD
Triad Isotopes, Inc.- Saginaw
2795 Universal Drive
Saginaw, MI 48603

Dear License Reviewer:

Please amend the above referenced material license to reflect the following modification:

1. Update the corporate office address for Triad Isotopes, Inc. The new corporate office address is 4205 Vineland Road, Suite L1, Orlando, FL 32811. Correspondence should be sent to this address or to the facility RSO, who will forward to the new corporate address.
2. Please change the RSO in this location, effective immediately, to Robert Bjurstrom, PharmD. Mr. Bjurstrom is currently listed as an authorized nuclear pharmacist on this license. By virtue of past training and experience, Mr. Bjurstrom satisfies the requirements listed in 10 CFR 35.50 for Radiation Safety Officer. Triad Management agrees to provide the RSO with sufficient authority, organizational freedom, time, resources, and management prerogative, to perform the duties as assigned. A signed preceptor attestation, NRC Form 313a (RSO), is attached to certify Mr. Bjurstrom's ability to function independently as the RSO.

We appreciate an expedited review of this request. Please contact Brigette Nelson, Senior Director, Quality and Safety, if you have any questions at 904-220-7210. A completed copy of the amendment request can be sent to the Triad Corporate offices at 4205 Vineland Rd, Suite L1, Orlando, FL 32811 and/or to the Saginaw pharmacy address to the RSO's attention.

Thanks,
