Mr. Butterfield,  
I am the Congressional Affairs Officer for the Nuclear Regulatory Commission with responsibilities for Region III, which includes Ohio and, in particular, Davis-Besse and Perry Nuclear Power Plants. I will be visiting Capitol Hill tomorrow and am hoping for an opportunity to meet you and to introduce myself. If you have time in the afternoon in which we could meet for about 10 minutes, please let me know. There are no pressing issues, but I would like to discuss plant safety performance and address any issues of concern from your office.

I look forward to working with you and for an opportunity to meet with you in person,

Timothy Riley
