Subject: Amendments to License No. 47-01542-01, PPG Industries, Inc., Natrium Facility

Please find attached amendments requested to the U.S. Nuclear Regulatory Commission Materials License No. 47-01542-01 for the PPG Industries, Inc., Natrium Facility. The amendments are due to the future addition of an additional source to be used for level indication in the Caustic Department. The source activity will be 100 mCi of Cesium-137. Additionally, amendments are included to update the former company name Ohmart/Vega Corporation to their new name Vega Americas, Incorporated.

Included in this submittal is an inventory of all specific licensed devices at the Natrium Facility. If you have any questions regarding this information, please contact Erika A. Baldauff at (304) 455-2200, extension 3573.

Sincerely,

James D. Rock
Works Manager
