Dear Dr. Purdy:

This refers to your license amendment request. Enclosed with this letter is the amended license.

Your license has been updated with the latest nomenclature. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5239, so that we can provide appropriate corrections and answers.

An environmental assessment for this action is not required, since this action is categorically excluded under 10 CFR 51.22(c)(14).
