REQUEST FOR PUBLIC HEARING AND LEAVE TO INTERVENE

Under penalty of perjury, I, Martha Ferris, declare as follows:

1. My name is MARITHA FERRIS.
I live at 9433 Fisher Farm Rd Vicksburg MS 39180
My home lies within 20 miles of the GRAND GULF UNIT 1 nuclear power plant.

2. I am a member of BEYOND NUCLEAR.

3. I am concerned that the storage of spent reactor fuel at GRAND GULF UNIT 1 poses the risk of environmental contamination as well as a serious accident involving radiological releases to the environment. Therefore I am concerned that spent fuel storage at the GRAND GULF UNIT 1 site will jeopardize my health and safety and that of my family and the value of our property. For the same reason, I am also concerned that the LICENSE EXTENSION and continued operation of GRAND GULF UNIT 1 will have an adverse effect on the health of the environment in which I live.

4. Therefore, I have authorized BEYOND NUCLEAR to represent me in a Request for Public Hearing and Leave to Intervene before the U.S. Nuclear Regulatory Commission for GRAND GULF UNIT 1 relicensing proceeding regarding the assessment of the environmental impacts of spent fuel storage as ordered by the U.S. Court of Appeals in *State of New York v.
